

SAFETY DATA SHEET

Nature's Living Soil – Original Concentrate

Prepared in accordance with OSHA Hazard Communication Standard (29 CFR 1910.1200) and GHS

Revision Date: January 2026

Version: 1.0

SECTION 1: Identification

Product Name:

Nature's Living Soil – Original Concentrate

Recommended Use:

Organic soil amendment for home gardening and horticultural use.

Restrictions on Use:

None when used as directed.

Supplier Information:

Nature's Living Soil

United States

Email: info@natureslivingsoil.com

Website: <https://www.natureslivingsoil.com>

Emergency Contact:

For non-emergency product information, contact supplier during normal business hours.

SECTION 2: Hazard(s) Identification

GHS Classification:

Not classified as hazardous.

Signal Word:

None

Hazard Statements:

Not applicable.

Precautionary Statements:

- Avoid creating excessive dust.
- Wash hands after handling.
- Use in accordance with good gardening and hygiene practices.

GHS Pictograms:

None required.

SECTION 3: Composition / Information on Ingredients

This product is a blend of naturally occurring organic and mineral soil amendments.

Components may include:

- Plant-based meals (e.g., seed meals, agricultural byproducts)
- Naturally occurring mineral amendments
- Composted organic matter
- Beneficial microbial inoculants

CAS Numbers:

Not applicable (complex organic mixture).

Hazardous Ingredients:

None.

SECTION 4: First-Aid Measures**Inhalation:**

Remove to fresh air if dust is inhaled. Seek medical advice if irritation persists.

Skin Contact:

Wash with soap and water. Remove contaminated clothing.

Eye Contact:

Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do.

Ingestion:

Rinse mouth. Do not induce vomiting. Seek medical advice if discomfort occurs.

Most Important Symptoms:

Temporary mechanical irritation from dust exposure.

SECTION 5: Fire-Fighting Measures**Suitable Extinguishing Media:**

Water spray, dry chemical, foam, or carbon dioxide.

Specific Hazards:

None known.

Protective Equipment:

Standard firefighting protective equipment.

SECTION 6: Accidental Release Measures**Personal Precautions:**

Avoid generating dust. Use basic protective gloves if desired.

Environmental Precautions:

No special environmental precautions required.

Cleanup Methods:

Sweep or scoop material into suitable containers. Dispose according to local regulations.

SECTION 7: Handling and Storage**Handling:**

Use with standard gardening hygiene practices. Avoid excessive dust generation.

Storage:

Store in a cool, dry location. Keep container sealed when not in use.

SECTION 8: Exposure Controls / Personal Protection**Exposure Limits:**

No occupational exposure limits established.

Engineering Controls:

Not required under normal consumer use.

Personal Protective Equipment (PPE):

- Gloves optional
 - Eye protection optional if dust present
 - Dust mask optional in dusty environments
-

SECTION 9: Physical and Chemical Properties

Appearance: Brown granular or powder blend

Odor: Earthy, organic

pH: Not determined

Solubility: Partially soluble in water

Flash Point: Not applicable

Explosive Properties: None

SECTION 10: Stability and Reactivity**Reactivity:**

No dangerous reactions known.

Chemical Stability:

Stable under normal storage conditions.

Hazardous Reactions:

None known.

SECTION 11: Toxicological Information**Acute Toxicity:**

Not classified as toxic.

Skin Irritation:

May cause mild mechanical irritation.

Eye Irritation:

May cause temporary irritation if dust enters eyes.

Carcinogenicity:

No components listed by OSHA, IARC, or NTP.

SECTION 12: Ecological Information**Ecotoxicity:**

Not expected to be harmful to the environment.

Persistence and Degradability:

Biodegradable organic components.

Bioaccumulative Potential:

Not expected.

SECTION 13: Disposal Considerations

Dispose of unused material and packaging in accordance with local regulations. Product may be composted where permitted.

SECTION 14: Transport Information

UN Number: Not regulated

Proper Shipping Name: Not regulated

Hazard Class: Not regulated

Packing Group: Not applicable

SECTION 15: Regulatory Information

This product is compliant with:

- OSHA Hazard Communication Standard
- Toxic Substances Control Act (TSCA)
- Federal Hazardous Substances Act (FHSA)
- Consumer Product Safety Act (CPSA)

This product is **not classified as hazardous** and contains **no restricted or professional-use-only substances**.

SECTION 16: Other Information

The information provided in this Safety Data Sheet is accurate to the best of our knowledge and is intended for safe handling and use of the product.
